Dear Susan,

I want to thank you for your contribution to the Total Public Sector Marketing Symposium. Judging from the comments after your session, there was a great deal of interest in your topic.

The comments we received for your session were very positive. In fact your overall average rating was 4.5 and you were rated as one of the top three speakers in the conference.

Several participants appreciated the excellent content and dynamic presentation. The majority wanted a longer session.

You should have received the delegate list by e-mail. I hope that you find it useful.

I will be in touch with you when we begin to plan for next year's symposium. I look forward to your continued involvement in Total Public Sector Marketing.

Once again thank you for your participation.

Yours sincerely,

  
Barbara Siskind
